

ATTENTION BURRILLVILLE RESIDENTS
PLEASE READ THIS NOTICE

**Whipple Avenue Compost Facility will be closing for the season on *SATURDAY,*
*NOVEMBER 28, 2009***

The Compost facility located on Whipple Avenue will be opened every Wednesday and Saturday thru the month of November, 9 AM to 1 PM. Following the last day of operation for the season on November 28th, residents must make an appointment through the Department of Public Works for their disposal needs by contacting 568-444, or wait until the re-opening in April 2010.

Items that are acceptable by appointment are items such as, scrap metals, tires and cathode ray tube electronic wastes. *PLEASE DO NOT PLACE THESE ITEMS OUT WITH THE CURBSIDE TRASH. THEY WILL NOT BE COLLECTED AND MAY BE SUBJECT TO NOTICE OF FINE.*

Please do your part to dispose of your special solid wastes properly. Not every item can be collected by the curbside program. If you are unsure what is acceptable at the curbside, please visit the town's recycling website at www.burrillville.org and view the "Refuse & Recycling" link under the "Links for Residents" section or stop by the Department of Public Works for a copy of what is acceptable at the curbside.
